NAVIGATING WITH A STRATEGIC COMPASS

Apply the strategic compass to set priorities.

Reflections when making decisions:
• What does our purpose lead us to?
• What will best take us towards the vision for the world we want?
• How do we practice our values in this choice?

HORIZON
What is visible in the distance, heading towards our vision.

VISION
What are we moving towards?
What is true in a transformed world?
What is the world we want to create?

MILESTONES
Goals that build energy and momentum for the longer journey; a goal that moves us towards our vision.

PURPOSE
Our driving motivation; our north star.

TEAM
The people who are connected with this vision and purpose, and who have a strong commitment to activating the qualities of the vision in the world.

PRACTICES
What are the values and qualities that we want to bring forward from our vision in how we do the work?
• Embodiment: How each individual represents our values/vision.
• Roles: How we distribute responsibilities, who leads on what.
• Decision-making: How we make decisions together.
